

Spring Checklist

INTERIOR AND EXTERIOR MAINTENANCE

- ☐ Check your homes exterior for for broken shingles, leaks and general wear
- ☐ Power wash mildew and grime from your homes exterior (siding, walkways etc)
- ☐ Touch up any chipped paint on the inside and outside
- ☐ Check for leaks on pipes and outside Hose bibs
- ☐ Check window caulking for cracks and leaks
- ☐ Replace air filters and prepare the HVAC system for warmer weather
- ☐ Test in-ground sprinkler/irrigation systems
- ☐ Check your exterior grading and all downspouts are installed properly
- ☐ Lawn maintenance and check walkways for cracks or damage
- ☐ Check window screens for damage or holes
- ☐ Get out your outdoor furniture and fire up those grills!

Let the new season be a fresh start for you and your home
Incorporate these simple steps into your home maintenance routine
as we transition from winter to spring
